

Parents,

Thank you for choosing to swim at the Kroc Center! Here are a few tips to make the experience more enjoyable for you and the other swimmers.

- As a result from fecal issues closing the pool on many occasions, we are now requiring children ages 3 and under to wear swim diapers and plastic pants over the swim diaper. Lifeguards will be checking to see that this requirement is being followed. (Both can be purchased from the Kroc Center)
- We will also be enforcing the policy that parents must be with-in arms reach of children ages 5 and under.
- If your child is sick, please do not allow them to swim.
- If anyone has an open sore they will be asked to not swim.
- Children must be 48 inches tall to use the slide.
- Swim suits or lycra shorts/shirts are allowed in the pool. Other street clothing is absolutely not allowed.

Thank you for your compliance with these policies.
