Class Descriptions

Ages 5-7

Art Exploration

Discover new skills and talents while designing unique creations using a variety of materials including paint, safety scissors, and recycled materials to make crafts and sculptures.

Ballet Basics

Students will learn the very basics of ballet such as the five foot positions, coordination, and musicality, as well as learning through fun and imagination. They will develop good dance posture through stretching and strengthening exercises, while improving listening skills and the ability to follow instructions. Students will have the opportunity to perform in the Spring Recital.

Creative Movement

Creative Movement is a class designed to help students learn to listen to music and move their bodies. They will develop body movements and facial expressions while instilling a love for dance. Students will have the opportunity to perform in the Spring Recital.

Primary Music

This class promotes music literacy through active music making. Students will explore playing instruments, experience playing as a group, and build a solid music foundation.

Sprouts

Sprouts is a hands-on gardening class involving art and creativity. This class introduces young gardeners to the art and science of gardening, while helping them develop leadership and life skills. Students will have the opportunity to plant and nurture their own plants in our Prayer Garden. In addition to gardening, the students will also create art to display in the Prayer Garden.

Ages 8 & Up

Ballet

Ballet is one of the oldest styles of dance in existence, dating back to the 1500's! Students will learn the very basics of ballet such as dance vocabulary, the five foot positions, musicality, choreography, and so much more! Students will have the opportunity to perform in the Spring Recital.

Basketball

This class is an introduction to the sport of basketball! Open to both boys and girls ages 8+. Through age-appropriate, fun practice plans, students will learn the fundamentals of basketball including shooting, dribbling and passing.

This class meets two times per week on both Tuesdays and Thursdays.

Theatre

Students will study acting methods, monologues, history of acting, and more. Each student will choose a monologue for study and performance at the end of the semester. Students can expect to grow in emotional expression, movement, dialect, and other aspects that make a well rounded actor.

Foundations of Music

This class focuses on music theory that is applicable to any style of music and any student of music. Students will learn through musical games, percussion instruments, various musical genres, and musical composition.

All piano and guitar students are required to take this class.

Groundbreakers Gardening

This gardening class is for those who love the outdoors! Students can expect to learn plant growth and development, planting seasons, and valuable life skills. Students will have the opportunity to plant, grow, and nurture their own plants in our Prayer Garden.

Guitar

A class for students looking to grow in their guitar skill. Students of various experience are welcome beginner - intermediate. Students can expect to learn music theory, classical repertoire, popular music, play musical games, and learn music composition. A book will be required to purchase in order to take the class.

Foundations of Music is required for this class

Jazz

Combining the best of many different genres, from Musical Theatre to Hip Hop, the Jazz Dance for Beginners class provides the perfect foundation for anyone stepping into the dance world for the first time, and the opportunity to try out a variety of styles. Jazz utilizes many aspects from ballet and is highly recommended to also be enrolled in the ballet class. Students will have the opportunity to perform in the Spring Recital.

Painting Techniques

Students will work with canvas and different mediums to create original works and to learn the styles of famous painters that came before them! Creativity abounds in this class that aims to unlock their inner artist and give them the tools they need to express themselves.

Piano

A class for beginner-intermediate students looking to learn the fundamentals of piano. Students can expect to learn music theory, classical repertoire, popular music, play musical games, and learn music composition. A book will be required to purchase in order to take the class. Students may have the opportunity to perform in the Spring Recital.

Foundations of Music is required for this class

Pottery I.

Students will begin learning the basics of pottery through handbuilding and work their way towards wheel throwing and more complicated creations! This class will take place in our pottery shop outdoors beside the running track, located in our Community Garden. Please be on time for this class or be prepared to walk your students outside to the shop, as the group will leave promptly when class time starts.

Pottery II.

Students will learn more advanced techniques in this pottery class and work on projects throughout the semester. Students can expect to learn more intricate handbuilding techniques as well as extensive wheel work. Projects can include: plates, bowls, vases, cups, sculptures, and more! This class will take place in our pottery shop outdoors beside the running track, located in our Community Garden. Please be on time for this class or be prepared to walk your students outside to the shop, as the group will leave promptly when class time starts.

Tap

Tap is one of the oldest dance forms in this country. Students are taught rhythms, timing, and leg/foot coordination. This style allows you to be an instrument and play along with the music. Students will learn all types of tap from standard basics such as Jazz style and Broadway style of tap. Students will have the opportunity to perform in the Spring Recital.

Volleyball

This class is an introduction to the sport of volleyball! Open to both boys and girls ages 11+. Through age-appropriate, fun practice plans, students will learn the fundamentals of basketball including passing, serving, and setting.

This class meets two times per week on both Tuesdays and Thursdays.
